PackageFromSanta.com has created a special Free Call From Santa this year for U.S troops around the world. We wanted to support our troops away from their loved ones and we created a program where U.S. service men and women can login from anywhere in the world to create and send a free personalized call from Santa to their children or loved ones in the United States.

PackageFromSanta.com, is renowned for their authentic letters from Santa, and this year we created the authentic Santa voice that only Santa himself could have done. Our Santa rehearsed and mastered over 2,000 of the most popular names in the United States, so all our troops have to do is select the name, answer a few questions about their child or loved one and choose the date and time you want Santa to call. There is absolutely no purchase required. Listen to our [Free Call From Santa](#) example and schedule your Free Call From Santa today.

PackageFromSanta.com is an A+ accredited Better Business Bureau (BBB) business and has been for four straight years.
