**Personal Injury Attorney Bernard F. Walsh gained the distinction of an AV® Preeminent Peer-Review Rating from Martindale Hubbell.**

November 09, 2012, 12:05 pm -- /[EPR NETWORK](#)/ -- The AV Preeminent® is a significant rating accomplishment - a testament to the fact that a lawyer's peers rank him at the highest level of professional excellence. An extremely dedicated attorney, Bernard Walsh, was admitted into the Florida Bar Association in 1978 and has been actively serving the Florida justice system for 34 years.

Mr. Walsh obtained this AV Preeminent® rating by garnering the praise of his peers in an objective review by other bar members and judges. Reviewers rated Mr. Walsh on a number of factors including ethical standards and legal ability in the personal injury and wrongful death areas of practice.

Now a partner with the Florida personal injury law firm Shapiro Goldman Babboni & Walsh; Mr. Walsh has demonstrated his leadership in the Florida legal community by founding the Manasota Trial Lawyers Board, an organization of Southwest Florida's prominent trial lawyers and by his years of service and successes in representing injured clients.

During the review process Mr. Walsh received praise from many Bar members. One such Attorney had this to say about Bernie Walsh, "I have known Mr. Walsh for many years and have defended cases brought by him. He is an excellent lawyer who cares deeply about his clients." That reviewer rated Mr. Walsh 5 out of 5.

Another bar member remarked, "Definitely the "go to guy" for any questions regarding the practice of personal injury." Comments like "I have known Mr. Walsh for many years and have defended cases brought by him. He is an excellent lawyer who cares deeply about his clients," illustrated his worthiness to receive the rating of AV Preeminent®.

Attorney Bernard Walsh had this to say about his recognition by the AV Preeminent® rating "I am deeply honored by the comments of my fellow attorneys. It's wonderful to have the years of hard work recognized. Receiving this honor helps my clients better understand the level of dedication and expertise we offer for their behalf."
