Corporate fun increases productivity - Company Holiday Parties (dot) com <http://CompanyHolidayParties.com> is a new sales division helping corporate clients look at The Action Territory Fun Park in an entirely new way. Just in time for the holiday party season, Company Holiday Parties is booking corporate meetings, food and fun into the facility's résumé, and their schedule is already booking up.

The addition of the bar to Actions' Eatery in the summer of 2012 now enables the facility to offer full beer & wine specials with their corporate meeting packages along with Free parking & bus parking. The WiFi enabled meeting rooms encircle the 1500 square foot indoor facility. During the summer the facility opens an entire additional world of mini golfing paradise, go karts, paint ball, batting cages and more...

Work with a planning specialist to detail a package that's perfect for your company and budget. Each package offers unlimited team building opportunities making Action Territory's Company Holiday Parties a popular decision for HR and Business meeting planners, Singles clubs, and adventure clubs. We do all the cleanup and offer a price to accommodate every budget.

Action like the Laser Tag arena and The Heist Laser Quest challenge, and test skills and build a great working relationship with other associates - which they will bring back at the work place. Add some Pizza and beer and your event will be remembered as the best party of the year! We keep the price

down so if the employees have to pay a portion of their entry fee it stays affordable.

Open Year round, Action Territory is a premier family fun center serving patrons from both sides of the state line, Wisconsin & Illinois, just a few minutes from Gurnee Illinois where the famous Six Flags facility is located. The indoor attractions are open year round and the outdoor activities are seasonable, plus the meeting facilities can be rented overnight and offer week day meeting discounts, plus tented areas in the summer.

Don't let this year pass without an off site meeting event at Action Territory. Corporate fun increases productivity - CALL TODAY 262 857-7778
