PackageFromSanta.com (PFS) announced the release of their Free call From Santa with all 2012 letters from Santa. This year PFS created a special Free Call From Santa to keep the magic of Christmas and spirit of Santa Claus alive.

Each year we have added additional Free Gifts to compliment our personalized letters from Santa. We wanted to make certain that our authentic letters from Santa were truly the most affordable genuine gifts from Santa Claus found online.

And now with the addition of our Free Personalized Call From Santa, we have 4 great free gifts that come with each of our 2012 letters From Santa.

1. A Free Personal Santa Video Greeting, a \$12.99 Value
2. A Free Personalized Phone Call From Santa, a \$9.99 Value
3. A Free Christmas Countdown Calendar, a \$5.99 Value
4. A Free Santa's Personalized Official Nice List Guide, a \$5.99 Value

PackageFromSanta.com has created the most realistic Santa Claus voice that only Santa himself could have done. Our Santa has been very busy working on this new way to keep his

spirit alive, and Santa has rehearsed and mastered over 2,000 of the most popular children names and nicknames in the United States.

All you have to do to schedule your free phone call from Santa is select the name of your child from our list, select from one of our 4 Christmas messages from Santa, answer a few questions about your child or loved one and choose the date and time you want Santa to call. There is absolutely no purchase required. Listen to our Free Call From Santa example with the link below and schedule your Free Call From Santa today.

PackageFromSanta.com is an A+ accredited Better Business Bureau (BBB) business and has been for five straight years, a family friendly site with high quality personalized letters from Santa and many free Santa gifts. Our Letters From Santa is backed with a 60-day money back guarantee.

Imagine your child or loved one following Santa's Nice List Guide that you personalize for the things you want your child to follow, counting down the days to Christmas with excitement, reading Santa's personalized letter sent from his North Pole address, and now, even listening to Santa himself calling them by their own name. Keeping the magic of Christmas and the spirit of Santa alive for 2012 just got better.
