A decade of fine jewelry at the #1 Gemstone Destination

Los Angeles, CA , September 17, 2015 -- /[EPR NETWORK](#)/ --
[Angara.com](#) turns 10 this September and is celebrating the occasion with a makeover: a brand new 10 th Anniversary special logo and a more interactive user interface to serve customers – old and new - alike.

To add to the celebrations, Angara has decided to spring September surprises galore for all its valued customers.

What better way to celebrate a glorious decade than to introduce new collections? Angara will be expanding with a wider range of diamond jewelry and 30+ gemstones. So here are some of the things you can look forward to in Angara's new line:

- GIA certified High Jewelry
- Luxury bracelets
- More styles and a wider range of products

Keeping with the expansion plans, Ankur Daga, CEO of Angara Inc. said, "It will be about ensuring that we are able to serve any fine jewelry customer with the piece that is just right for them – the right design, at the right quality and at the right price."

And that's not all. Brace yourself up for more unbelievable offers:

- Stay hooked to Angara on social media to avail of huge discounts
- Get amazing deals and be a part of fun activities
- All customers can enjoy 20% discount (a first in Angara's 10-year-long history)
- Exciting gifts on anniversary special catalog (Code Birthday)
- Flash sale (Code Flash20), meaning a customer's favorite piece at a price that has never been offered before, all day long

"The last decade at Angara.com has been about creating an experience and brand where people can select the design they want at the price they want to spend," Ankur states further. "Through the Good, Better, Best and Heirloom platforms (at Angara.com), you have been able to choose the size of gemstones, quality of gemstones and the metal that you prefer. We have taken those preferences and produced a custom piece that is just for you and will continue to do so," he signs off.

Journey so far: #Angareturns10

Founded in 2005 by Mr. Ankur Daga as a third generation gemstone jewelry company, Angara INC is headquartered in Los Angeles, California. It has grown steadily over the years and is a household name for those with a penchant for fine luxury gemstone jewelry. It is one the most trusted names among online jewelry stores in terms of quality, craftsmanship, and best price.

Angara.com was launched with only a handful of designs, when the idea of online jewelry shopping was taking baby steps in the mid-noughties. Today, Angara boasts of about 2500 designs in 40 styles with a whopping range of more than 25,000 products.

Angara has been featured in some of the most recognized magazines like Forbes, Crain's, Women's Wear Daily, Daily Candy, Harvard Business Review and many others. Angara owes its success to its string of valued customers. After all, not many companies get recognition for quality products and service at Bizrate and TrustLink. Accredited A+ by Better Business Bureau, Angara indeed has several reasons to thank its customers a million times over.

All that glitters indeed need NOT be Gold! Angara.com has literally proved the age old idiom right with its exclusive range of handcrafted gemstone jewelry over the last 10 years.
