Press Release Body = Cosmetic surgery group, **The Harley Medical Group**, is celebrating the launch of its brand new web site with a special promotion for its fashion conscious visitors.

The site, one of the most visited in the cosmetic surgery world, has been updated to provide comprehensive information on cosmetic surgery and non surgical treatments and includes many new features.

Throughout July & August the web relaunch promotion gives site users the chance to be drawn at random to receive one of the celebration gifts on the Harley Medical site. This means that not only will users be able to browse for all the latest cosmetic surgery information but they'll also have the chance to win top designer accessories. These accessories will be given away to fashion savvy people lusting after this season's must-haves. Fashionista's favourites such as Jimmy Choo shoes, Balenciaga Motorcycle bags, Mui Mui purses and designer sunglasses are some of the goodies that will be given away, no strings attached.

Liz Dale, Director of The Harley Medical Group, commented on the revamped site, "We've had a team of 40 surgeons and nurses working on the content for our new information-packed website and wanted to celebrate the launch by giving away gorgeous celebration gifts to our web users. Sadly, staff aren't allowed to enter!"

Notes to Editors:

About The Harley Medical Group

The Harley Medical Group has been established for over 24 years and is one of the most highly-regarded Cosmetic Surgery Groups operating in the UK. In 2004, The Harley Medical Group's Chairman Mel Braham, at the request of the Department of Health became a member of the department's Steering Committee, set up to oversee the introduction of new regulations covering the entire Cosmetic Surgery sector. All of **The Harley Medical Group's clinics** are registered with the Healthcare Commission and there are now 13 clinics (20 by December) in the UK and Ireland: London (Harley Street, Wimbledon, The City & Watford), Marlow, Birmingham, Leeds, Brighton, Bristol, Manchester, Newcastle, Chester and Dublin.

The Harley Medical Group is renowned for introducing and pioneering most new surgical and non surgical techniques to the UK and Irish markets, such as aesthera PPX, laser hair removal, cool touch laser, silk touch laser, collagen for lines and wrinkles, laser for snoring, tumescent liposuction, LPG cellulite treatment etc. All new treatments and techniques are first thoroughly researched and tested before they are submitted for approval by the Group's Medical Advisory Committee, as being suitable for application by the Group's fully trained and specialized plastic surgeons, doctors and treatment nurses.
