Press Release Summary = **Windsor Telecom Plc, UK provider of 0845 phone numbers and inbound call solutions, has published a free guide to relocation for UK businesses of all sizes**

Press Release Body = **Windsor Telecom Plc**, the UK's 2nd largest provider of 0845 memorable phone numbers and inbound call solutions has published a free guide to relocation aimed at UK businesses of all sizes.

The two handy guides, for the corporate and SME markets, provide valuable information on how to make the right move, an essential ten step plan to successful moving , and a comprehensive directory of useful contacts.

The new relocation guide provides a valuable insight into the challenge of relocating a business today. It addresses key questions such as; 'Do I really have to relocate?' and 'Who needs to know I have moved?' Therefore providing businesses with the knowledge they crave prior to planning the often make or break move.

Practical money saving tips appear on every page, such as the option to set up non-geographic 0845 numbers (<http://www.windsor-telecom.co.uk/0845-numbers.php>) prior to relocation, which has for

many **Windsor Telecom** customers', saved a fortune, as it reduces the need for future updating and reprinting of corporate stationary and literature. The ability to redirect all incoming calls the minute immediately a move is made ensures the business continues through the disruption, and makes sure both existing and potential future clients can still get through; ensuring new business is not lost. Furthermore 0845 numbers are numbers for life, so once the simple switch has been made it is one less thing to have to worry about if a company ever has to move again.

The Windsor Telecom relocation guides are free to download from their website www.windsor-telecom.co.uk/

Having moved offices recently themselves, **Windsor Telecom** knows only too well the homework that needs to be done and the stress of upheaval. And as anyone who has moved home will know, it is one of the most stressful life experiences anyone can go through.

Chief Executive of Windsor Telecom (<http://www.windsor-telecom.co.uk/>), **Neil Sherring** says: *"We've drawn on our first hand experience and lessons learnt to make this business guide to relocation as practical and useful as possible. We hope it will take away some of the research that companies will need to do when moving offices."*
