The behavioral-musts I instill in my students assist them onto a path of true success" says Mr. Brown. "I've been in the **Internet Marketing** game for over ten years and the people who succeed are not giving away their hard earned money to the 2-up programs such as **EDC Gold, Global Resorts Network, Coastal Vacations, YTB Travel, Emerald Passport, Liberty***

**League, Passport2Wealth, Road Map To Riches or Jaguar Marketing disciples**, they are the people who want to join a winning team like the **Perfect Wealth Formula**. It comes with fail-safe, built-in support system."

The **Internet Marketing system** of Mr. Brown's choice is the **Perfect Wealth Formula**. It is a different style of **Internet Marketing system** based on dedication to potential buyers and a mind-set that focused Internet marketers have a golden key to success if they just keep a few simple steps in mind. Mentors like Phil Brown can help keep that focus, having the wealth of over ten years of experience in **Internet Marketing** and knowing where to point pupils (and when to prod them) has made Phil's students part of an exclusive group.

*"My secret is that you always stay honest, never get greedy, and help people whenever you can."* Phil learned this bit of advice from the **Perfect Wealth Formula** program and he takes every opportunity that he can to pay it forward. *"I've seen far too many people get into marketing opportunities without a support system in place – and give up after a month."*

Phil's success stems from a willingness to stay focused, experience and the gratitude and support of his team. Now, you have to admit that it sounds like a great team to join. Comfort, security, AND success? There's no Internet marketing program that can top that.
