

Aussie designer maternity dress on parade in the US

Released on: November 25, 2007, 8:39 pm

Press Release Author: [Fertile Mind Pty Ltd](#)

Industry: [Apparel & Fashion](#)

Press Release Summary: The bestseller 6WayDress from Australia made its debut on the U.S. catwalk at the MOM2B Trade Show in Los Angeles on September 30.

Press Release Body: A maternity dress that can be worn six different ways, the **Fertile Mind 6WayDress** has become the “**must-have**”

dress down under. One of the most loved aspects of the dress is its sizing. There is no "large" or "extra large" – rather generously proportioned women can buy "curvy" and "voluptuous" **6WayDresses**.

Pregnant models showed the **6WayDress** off in its six different ways – showing boutique buyers the versatility of the maternity dress. The **6WayDress** retails for \$138.00 and can be seen at www.fertilemind.com.
