Press Release Body: Oakland, CA November 6, 2007 - **Polaris One films** is proud to announce its newest release, **Hip-Hop U.S.A. Meets Brazil Volume 1**. Writer and producer, **Omar Wassan**, chronicles Hip-Hop explosion in Brazil. Since its creation, Hip-Hop impact can be seen worldwide, but very little know that the world's most active Hip-Hop scene on the planet exist in Brazil.

"Brazil is a country that already has a reputation for its rich music, dance and art," stated filmmaker **Omar Wassan**. *"This movie*

*highlights the latest evolution in Brazil's artistic expression. Their wisdom, passion and strength are all highlighted in **Hip-Hop U.S.A. Meets Brazil.**"*

Hip-Hop USA Meets Brazil takes you on a journey from the hip-hop onset in South Bronx to its explosion in South America. This journey includes scenes of Samba at Carnival and Capoeira on the beaches in Rio. Wassan takes the audience inside a world that is as beautiful as it is dangerous.

Hip-Hop U.S.A. Meets Brazil features artist such as Lil Jon, Digital Underground and beyond. Capoeiristas Mestre Zumbi, MC and former host of MTV Brazil Thaide, Brazilian artist Spainy, Trutty, MC Goobie and many more are featured in this one of a kind documentary.

About: Producer **Omar Wassan** established **Polaris One** based in sunny California in 2004. **Polaris One** focuses on documentary and fictional media projects. Watch for the newest project **Hip-Hop USA meets Brazil** set for release in 2007.
