

Kid Rock Rocks Out at Sin City's Sapphire Gentlemen's Club

Released on: November 2, 2007, 1:21 pm

Press Release Author: [Sapphire Gentlemen's Club](#)

Industry: [Advertising](#)

Press Release Summary: Kid Rock Attends Las Vegas's Sapphire Gentleman's Club.

Press Release Body: Kid Rock enjoyed a late Saturday night at the **Sapphire Gentlemen's Club in Las Vegas, Nevada**. He rolled in around 3am with a mystery blonde and an entourage of 20 people. They partied in a VIP booth on the main floor while numerous girls danced for him. The mystery blonde bought 1000 dance dollars while the club played music at Kid Rock's request.

The **Sapphire Gentlemen's Club in Vegas** sets the standard— the world's largest gentlemen's club boasting an impressive 70,000 square feet of topless entertainment and serving the finest variety of cocktails, wines, champagnes and cigars. Sapphire showcases the extravagant style and commitment to over-the-top entertainment. In addition to the classic gentlemen's club, steakhouse, and boutique hotel, Sapphire offers deluxe amenities including designer suites with private butlers, concierge services and varying themes to satisfy every indulgence.

Sapphire features many private rooms and V.I.P. areas to cater to any size special event, party or corporate event. One of the many

ways **Sapphire** provides the finest in service and guest comfort is through our luxurious **VIP Skyboxes**. Suspended 25 feet above the floor, these unique private lounges have dramatic views of the entire showroom below. Private butlers, concierge services, and individually themed boxes underscore our commitment to luxury and indulgence. You can also watch a beautiful lady on stage or your favorite ball game on the flat screen monitors. Our VIP area redefines VIP by offering the most comfortable and spacious setting possible without sacrificing the intimacy that you deserve.

Being at **Sapphire** means you are a VIP. All our customers deserve respect and we will cater individually to every need.
