

# Super Holiday Rentals offers new Irish rental property

Released on: November 21, 2007, 6:35 am

Press Release Author: [Super Holiday Rentals](#)

Industry: [Consumer Services](#)

**Press Release Summary: Super Holiday Rentals, the worldwide live online holiday booking engine has expanded its holiday rental property portfolio with a new cottage in County Galway, Ireland**

Press Release Body: **Super Holiday Rentals**, the worldwide live online holiday booking engine, is pleased to announce the addition of a new property in rural Ireland.

**Foxes at Cleggan Farm** is one of six [holiday cottages](#) that have been converted from old barn buildings, and is [Super Holiday Rentals](#) latest

addition to its growing list of [holiday rental](#) properties.

The new [Foxes farm cottage](#), is situated on the north side of Cleggan Bay, opposite Cleggan village in County Galway, Ireland. Located on the west coast of Ireland, Galway is a popular destination for visitors

and is rich in natural scenery. The county town of the same name has been hailed the "**cultural capital of Ireland**" and is renowned for its vibrant lifestyle and numerous festivals, celebrations and events.

Cleggan farm is a working farm which is surrounded by a peaceful atmosphere and of course farm animals. There are several scenic walking routes out to the end of the peninsula, and up to the top of Cleggan Mountain. There is also a beach nearby, which is an ideal place to take children and dogs. Visitors can also enjoy mackerel fishing or collecting fresh mussels.

The new **Foxes at the Cleggan Farm Cottages** property has two bedrooms and can sleep four people. It is well furnished, and has a kitchen with breakfast area, a sitting room with a small dining area and cosy open fire, a bathroom and toilet and outside a small garden and car parking spaces.

**Super Holiday Rentals** are continually adding new properties to their booking engine, offering [holiday villas](#), cottages, houses, and other holiday accommodation throughout the UK, Europe and rest of the world.

**About Super Holiday Rentals:**  
**Super Holiday Rentals was first devised by Philip A Green**, a leading holiday home owner and operator in the UK, and is a worldwide live online holiday booking engine.

People who own holiday rental property the world over can advertise their property on superholidayrentals.com, by loading availability onto the superholidayrentals.com booking engine. **Super Holiday Rentals** allows customers to search, book and pay for their chosen holiday rental live online immediately.
