**Press Release Summary: Kate Moss and Topshop present their Christmas 2007 capsule collection of stylish signature pieces**

Press Release Body: **Kate Moss and Topshop** present their fourth capsule collection of signature pieces for Christmas. Kate encapsulates her ever-changing sense of style with an exquisite collection of embellished pieces that further echo the luxury rock and roll feel of the Autumn/Winter collection currently in store.

The new Christmas [Kate Moss collection](#) for [Topshop](#) comprises beautiful dresses, fine gauge knits, intricate lace capes and sharp Saville Row-inspired tailoring, accented by studded accessories.

Referencing Patti Smith, Victoriana, and the glamour of the 1930s, the collection takes the customer from the chicest girl in the office to sex bomb at every Christmas party.

Detail is everything, from a finely studded ivory silk mini dress, to a luxurious emerald green pleated Marilyn dress, and pure Blondie graphic striped dress. Raspberry ruffles fall in tiers on a cute cocktail mini dress, while classic little black dresses include a knitted mandarin-style mini dress with buttoned neckline, jet black chiffon dress with flared pleated skirt, a demure 50's style knee length dress carrying Plissé pleats and a fun rockabilly black & white polka dot mini dress with bustle and sweetheart neckline.

The glamorous halter-neck dresses in pale pewter and black slinky satin are floor sweeping. A mini dress and cape are made with intricately embroidered, delicate black Victoriana style lace. The short 'waist-coat' jacket is a great boxy jacket for day and sits alongside a cool slim fitting Tuxedo and chic cigarette pants.

A silver flapper dress is adorned with strings of silver and clear beads and is inspired by the couture dress made with Swarovski crystals, which Topshop recently auctioned online with all proceeds going to the Princes Trust.

Small clip frame bags of patchwork satin in oyster and in black feature pretty embroidered poppies and feathers, black bugle beads appear on third taller clip-frame.

Kate's own personal signature is recognisable in every piece and is quintessentially [Kate Moss](#) ... the most beautiful girl at the party. Prices range from £35 to £250.
