**Press Release Summary: Villa Plus, the holiday company that provides first rate villas across Europe announce they are upgrading the facilities of their properties even further**

**Press Release Body: Villa Plus**, the holiday company that provides first rate villas with pools in the most sought after European locations have announced they are upgrading the facilities of their properties, further cementing their reputation as a provider of quality holiday villas.

Established back in 1986, [Villa Plus](#) is an independent tour operator that still has its original founders in place. The company offers quality villas with pools in some of Europe's most popular holiday destinations, such as [villas in the Algarve](#), the Costa del Sol, Costa Blanca, Mallorca, as well as [villas in Menorca](#), Corfu, Cyprus, Kefalonia and Lanzarote.

Over the past 21 years Villa Plus has constantly made every effort to improve the quality of villa holidays, by listening to their customers

and acting upon their comments and suggestions. This approach has meant that Villa Plus and its customers have helped pioneer many aspects of improving the standards of holiday villas.

**Villa Plus'** latest project has been an extensive roll-out of air conditioning and pool heating installation into as many of their villas which have private pools as possible. Villa Plus prides itself on being the villa operator that includes more first rate facilities and services than most other villa providers at a time when many companies are cutting back on the level of the service and facilities they provide both in the UK and overseas.

The Reservations team, in the UK, regularly visit overseas to gain and maintain an extensive knowledge of their villas and villa holiday destinations. **Villa Plus** prides itself on its experienced overseas representatives who are unobtrusive and yet never more than a phone call away to help with any problems or queries that clients may have within the resort.

**About Villa Plus**, the holiday company that provides first rate villas across Europe including Corfu, Cyprus, Lanzarote, [villas in the Costa del Sol](#), Mallorca, Menorca, the Algarve and [villas in the Costa Blanca](#). All Villa Plus villas come with fans and heaters in the bedrooms, satellite TV, well equipped kitchens, brick barbeques, and most have air conditioning/heating and pool heating.

In the late 80s and early 90s Villa Plus were the first villa company to try to install into every villa, basic items such as washing machines, dishwashers, satellite TV, microwaves, safes and alarms. These items were later followed by further upgrades such as PlayStation 2, stair gates, pool tables, table tennis, brick barbecues and sun bed mattresses.

**Villa Plus** have a highly experienced and dedicated team based in the UK and overseas who work hard to provide clients with the high levels of service required to ensure that the **Villa Plus** holiday experience is enjoyable and hassle free.
