

Giggleprint.com Launches Redesigned Ecommerce Website

Released on: January 16, 2008, 7:45 am

Press Release Author: **Sondra Stegemann**

Industry: [Small Business](#)

Press Release Summary: GigglePrint.com launches their redesigned website to improve customer experience.

Press Release Body: **GigglePrint**, an online company providing custom printed products in a quick and convenient manner, is introducing its redesigned e-commerce site www.giggleprint.com.

The focus of the redesign is an improved customer experience with particular attention given to usability of the site. The new pages have a cleaner look and feel, making them more easily navigable. Some added features include navigation buttons to guide customers through the site and progress indicators to facilitate customers during the checkout process. These improvements create a simple and efficient customer experience.

"In order to satisfy our customers' needs, we recognize the importance

of providing a user-friendly website which our customers can navigate with ease,” said **John Browning, President of GigglePrint.** “Through the redesign of our website, we offer our customers a more convenient way to purchase their products online.”

GigglePrint.com, located in Joppa, MD, creates and produces customized printed products on demand and at an extraordinary value for the small business, the home office and the individual. As a direct manufacturer and marketer of personalized printed products, including secure checks and related accessories, we have the technology and experience to deliver high quality products.
