**Press Release Summary: VillaPlus.com, the villas with pools operator, launches new upgraded website to further help customers choose which villa will best suit their holiday requirements**

Press Release Body: **VillaPlus.com**, the villas with pools operator, has launched a new website [www.villaplus.com](http://www.villaplus.com). As the company continues to expand with the addition of new villa holiday destinations, such as **Kefalonia** and **Lanzarote**, the experienced computer programmers and website application/support team at **VillaPlus.com** have been busy ensuring that [www.villaplus.com](http://www.villaplus.com) is up-to-date with the latest web technology.

The new [VillaPlus.com](http://www.villaplus.com) website now includes brand new features such as Google Maps and satellite images for nearly all of their villas. This gives **VillaPlus.com**'s clients the opportunity to pin point the exact location of their holiday rental villa, helping clients to choose a villa with [private pool](#) which best suits their holiday requirements.

The **VillaPlus.com** website has also been given a new look and feel, and has been redesigned to make the site easier to navigate and more

user friendly. **VillaPlus.com** is already looking ahead to the future and plans in the next stage of the development of the **VillaPlus.com** website to introduce a new availability search facility and a cost calculator to make it easier for clients to access up-to-date villa availability and prices online.

As well as adding new up-to-date features to the website such as Google Maps, **VillaPlus.com** has also continued to enhance many of the original features of the site such as detailed information about their villas, the villa locations, resort facilities, photography, and 360° video tours. These changes are all designed to help clients choose the right [holiday villa](#) and to make booking a **VillaPlus.com** holiday online a simple and easy process.

Although **VillaPlus.com** is continually developing and enhancing their website the company still believes, nothing can replace talking to someone who has first hand knowledge of a particular villa and its surrounding area. This is why VillaPlus.com has a friendly and experienced reservations team to work along side the new website in order to provide clients with any specific information they may require regarding a **VillaPlus.com** holiday or the booking process.

## **About**

## **VillaPlus.com**

**VillaPlus.com** is an independent tour operator that has been providing villa holidays for over 21 years to the popular European holiday destinations providing [holiday villas to rent in Cyprus](#), the Algarve, Costa del Sol, Mallorca, Menorca, Corfu, Costa Blanca and [holiday villas to rent in Lanzarote](#).

**VillaPlus.com** has extensive experience and the independent operation means that they can offer holiday packages that are genuinely tailored to individual client requirements.

In the late 80s and early 90s **Villa Plus** were the first villa company to try to install into every villa, basic items such as washing machines, dishwashers, satellite TV, microwaves, safes and alarms. These items were later followed by further upgrades such as PlayStation 2, stair gates, pool tables, table tennis, brick barbecues and sun bed mattresses.

**Villa Plus** have a highly experienced and dedicated team based in the UK and overseas who work hard to provide clients with the high levels of service required to ensure that the **Villa Plus** holiday experience is enjoyable and hassle free.
