Press Release Body: Red Bank, NJ, April 14th, 2008: **American Recreational Military Services (ARMS)** an all volunteer **501c3** is asking for your help. This year NJ will experience the biggest troops surge since WWII. We cannot continue doing what we have done so well for the past 5 years without everyone’s help. 3,200 troops will be deployed, they and their families will need comfort both abroad and at

home and ARMS can supply this with help from all fellow New Jerseyans.

Our biggest expense is packaging material and shipping cost. The average comfort package that we send to the troops cost about \$10.00 in postage to ship. We do not get a shipping cost discount from the U.S. Post Office The content of the packages are all donated by the wonderful school children, parents, church groups, civic groups, veteran organizations and business owners, of NJ. Over the past 5 years we have shipped over 20,000 packages to the troops.

The impact your can make on these families lives with your support cannot be underestimated. Your donations either financial, goods, or time is critical to our success. To show our appreciation of your support [OurMonmouth.com](http://www.ourmonmouth.com) has committed to recognize any business, organization, or individual that contributes over \$250 with a featured spot on the homepage.
