

# Earth Day is Every Day as Test Equipment Connection Takes a Green Approach

Released on: April 23, 2008, 1:19 pm

Press Release Author: Phil Vogel / [Test Equipment Connection](#)

Industry: [Industrial](#)

**Press Release Summary: Earth Day is every Day as Test Equipment Connection Takes a Green Approach to the Test Equipment Industry. Join Test Equipment Connection in a continuing effort to help save the environment.**

Press Release Body: Repair, Trade-In, or Purchase Refurbished **Test Equipment** and join **Test Equipment Connection** in a continuing effort to help save the environment. Companies that purchase used test equipment help recycle and extend the useful life of high technology assets - plus enjoy the functionality of new equipment at a fraction of the cost.

*"A trade in of test equipment to us prevents it from ending up in a landfill where it could be harmful to the environment, plus our customers can save money on the test equipment they need today or in the future,"* said **Phil Vogel, Business Development Manager for Test Equipment Connection Corporation.** *"We also take in non-*

*functional test equipment to supplement our extensive parts inventory which ensures we have the parts needed to repair models that are no longer supported by the original manufacturer. We are always careful to use appropriate asset refurbishment, repair and disposal methods as recommended by Federal, State and Local authorities."*

**About Test Equipment Connection Corporation**  
**Test Equipment Connection Corporation** and **TE Connection Asia Limited** are industry-leading suppliers of New and Refurbished electronic test and measurement ("T&M") equipment. The companies sell, rent, lease, buy, trade, repair and calibrate over 250 manufacturers with thousands of products available New and Refurbished.
