Industry: [Internet & Online](#)

Press Release Summary: Zero One Design and Ianson Internet Marketing have announced the formation of a strategic partnership. The partnership will give Zero One Design's 500 plus jobsites and recruitment websites access to a full range of internet marketing and search engine optimisation services from Ianson Internet Marketing.

Press Release Body: **Zero One Design** and **Ianson Internet Marketing** have announced the formation of a strategic partnership. The partnership will give **Zero One Design's** 500 plus jobsites and recruitment websites access to a full range of internet marketing and search engine optimisation services from **Ianson Internet Marketing**.

Ianson have already worked with several of **Zero One's** clients over the past 6 months and all have achieved exceptional increases in site

visitors and candidate attraction. **Steve Day of Zero One** stated whilst being interviewed outside the IOD in London "We are delighted that **Ianson** have joined us in this partnership, we can now offer real competitive advantage to all clients, The combination of excellent design and leading website technology that **Zero One** provide and the internet marketing expertise of **Ianson** will give our existing and new clients a formidable advantage in an increasingly competitive market place".
