---	---	---

They have [biology tutors](#), [chemistry tutors](#), and physics tutors, all of whom are eager to help you tackle these sometimes challenging subjects. All of their tutors, including their math tutors, [algebra tutors](#), and [geometry tutors](#), have been carefully selected for their extensive knowledge of the subject matter and their ability to pass that along to others. No matter the subject, **The Academic Advantage's** tutors have the patience and skills to teach anyone, and they have the established track record to substantiate their claims.

They guarantee that if you take advantage of their services that your grades will increase by at least one whole letter grade. Please call them for details.

Their approach is simple: students learn best in a relaxed, one-on-one atmosphere at home where they are comfortable. Their tutoring sessions are focused and productive, and they make mastering even the most difficult subjects enjoyable by rewarding the students with demonstrable progress. Everyone feels accomplishment when results are being seen.

The Academic Advantage also provides [tutors for many standardized tests](#). They have [SAT tutors](#), [GRE tutors](#), [GED tutors](#), and [SAT II tutors](#) who will assist you with excelling on those tests. They have the experience to help and the ability to replace your uncertainty and fear with confidence. All of their tutors will help you achieve the highest score you can, because they have been personally trained. Furthermore, **The Academic Advantage** monitors the tutor's performance closely to assure that both the students and their parents are completely satisfied with their tutor's ability to help.

In today's academic environment, there are more students competing than ever before. To ensure that the competitive edge is yours, a tutor specially chosen for your needs will create a personal study plan just for you. This individualized service is extremely efficient, and each of **The Academic Advantage's** tutors will also provide instruction on better study techniques that will provide a lifetime of benefits.

Please visit their website, www.academicadvantage.com, or call today to begin achieving your greatest potential. Their tutors make learning fun and easy and will help you advance. The advantages they offer to New York residents can be yours right now, and all it takes is a willingness on your part to be among the best and brightest.
