Press Release Summary: UP Sports features Cobra kayaks, Yakima car racks & kayak accessories for professionals and hobbyists alike.

Press Release Body: **UP Sports** is proud to announce we now offer a wide assortment of **Cobra kayaks** that are available for purchase over the Internet. We are the professional's choice for kayaks of every need and description, and have a full line of car rack systems and kayak accessories.

Every **Cobra kayak** purchased from us includes dry hatches, seats, paddles, and free shipping.

In addition to **Cobra kayaks**, we also offer **kayaks manufactured by Hurricane, Advanced Elements, and Wilderness Systems**. We can fit your need for any ocean kayak, or for fishing kayaks, sit-on-top kayaks, surfing kayaks, or kayaks for touring or other recreational uses. When it comes to kayaks, we've got you covered!

We can also fill your paddle needs from respected suppliers such as **Cobra, Werner, and Aqua-bound** with products that come in a range of materials. We have carbon paddles and fiberglass kayak paddles available, and have a two-piece **Cobra paddle** under ninety dollars!

We don't stop with kayaks, either. You need a way to get your kayak to and from the water, and we have an extensive line of car racks available from **Thule, Yakima, and Inno**. If you prefer a cart, we have those, too, as well as bicycle racks for your car.

We offer everything for the kayaking enthusiast from bow to stern. While kayaking lessons are only available in our location in Dana Point, everything else we sell can be shipped anywhere. Whether you're looking for kayak seats or life jackets (PDFs), we have a wide selection available, including fishing supplies and pumps for any inflatable kayak. There's no need to shop anywhere else, and we've been doing business for years!

Please browse **UP Sports Website**, upsportskayaks.com, to see our extensive line of kayaks, [kayak accessories](#), and everything we have to offer. No matter how discriminating your taste, we have what you need at prices that will put a smile on your face.
