Press Release Summary: adidas Tour360 Ltd Shoes and TaylorMade Burner Drivers & Irons on sale at Blind9Golf.com

Press Release Body: (Monrovia, CA) June 11, 008 - www.Blind9Golf.com, an established retailer of golf equipment, golf apparel and golf accessories, today announced the availability of the highly anticipated **TaylorMade Tour Burner Drivers, TaylorMade Tour Burner Irons** and **Adidas Tour360 Ltd Golf Shoes** among other must have equipment of the season.

The **TaylorMade Tour Burner Driver** has been creating tremendous attention in the **PGA Tour** and has quickly become a high demand product for golfers of all skill levels. Featuring the **Dual Crown technology**, this driver is extremely lightweight, high in stability and performance. Manufactured with a smaller crown than sole, the **Tour Burner** boasts the Ultra-Thin wall casting technology. This new design provides a reduced weight and incredibly fast swing speeds. With these design changes, including the creation of a new clubface, the **Tour Burner** lends more stability and a higher launch angle and lower spin.

"The **TaylorMade Tour Burner** is already making headway among PGA players and we've seen great success with this product among loyal customers since its launch," stated **Sherri Brown, spokesperson for Blind 9 Golf**. "Along with the **TaylorMade Tour Burner Irons**, this is a winning combination for pros and novices alike," Brown concluded.

In addition to the **TaylorMade Tour Burner Drivers & Irons**, the online retailer specializes in the season's top golf shoes aimed at performance and comfort. The Adidas **Tour360 Ltd** shoe features premium craftsmanship and top of the line materials, targeting advanced performance technology. "This shoe is already one of the most recognized golf shoes and on its way to being a legendary favorite," Brown said.

Providing a wide selection of golf clubs, drivers, shoes and apparel, **Blind 9 Golf** has a full inventory of golf equipment for men, women and juniors and specializes in all skill levels. In addition to the season favorites, **Blind 9 Golf** seeks to bring the power of choice to golfers. Featuring the latest and most desired products on the market, **Blind 9 Golf** aims to perfect each golfer's game. For more information on the **TaylorMade Tour Burner Drivers and Irons, Adidas Tour360 Ltd Shoes** or to begin saving today, please visit <http://www.Blind9Golf.com>.
