Press Release Summary: South Florida's Extreme Makeover Dentist, Dr. Nottingham, has the experience, education, & da vinci's endorsement to be counted among the great dentists.

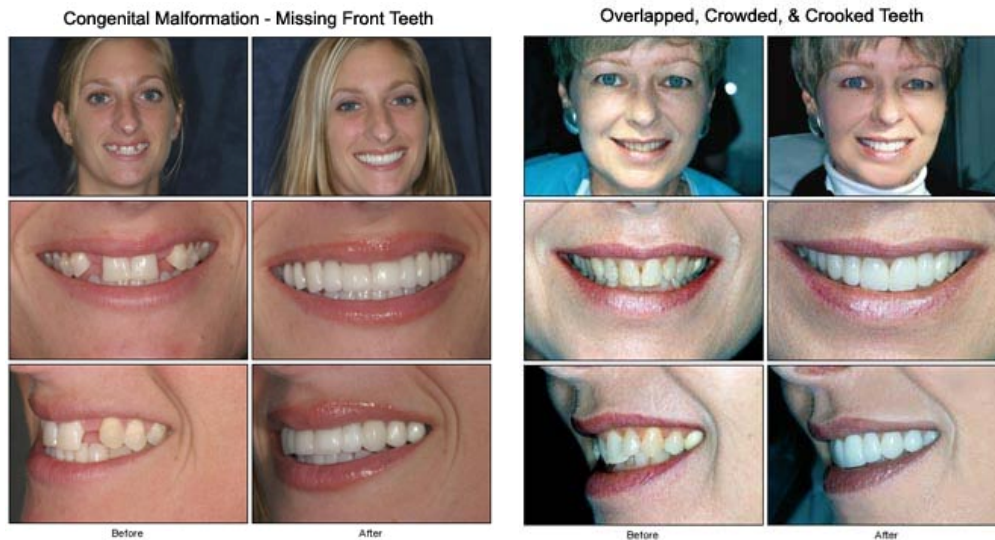

Press Release Body: Many dentists call themselves extreme makeover dentists. What does this mean? What does it take to be an extreme makeover dentist?

Certainly, the dentists appearing on **ABC's Extreme Makeover** are talented dentists that likely have this advanced dental capability. But, how are they qualified? Who ascertains their ability as a dentist... producers or filmmakers? How about the dental lab service of [ABC's Extreme Makeover, da vinci labs](#)? The owners of da vinci dental laboratory had the ability to send their mother to any of the television extreme makeover dentists, but they did not. They chose a talented [South Florida dentist, Dr. Charles Nottingham](#). The **Extreme Makeover Dental Lab** said the following about Dr. Nottingham:

"...your preparations and impressions exceed perfection [for our Mother]... If the *Extreme Makeover* show was filmed in Florida, I am sure you would be the providing dentist." [[Click here to view the entire testimonial](#)]

I believe this is a very high standard and certainly puts Dr. Nottingham in the same category as the extreme makeover dentists on television. Besides performing the [restorative dental work](#) for da vinci's mother, Dr. Nottingham has treated heads of state, professional athletes, business professionals, and even foster children. Dr.

Nottingham graduated New York University (NYU) Dental School and obtained a fellowship from the Academy of General Dentistry. Shortly after graduating dental school, Dr. Nottingham completed his post graduate training at the [Pankey Institute](#). Dr. Nottingham is the lead cosmetic dentist for [Smile South Florida Cosmetic Dentistry](#). He continues to raise the standards of dental care for himself, his staff, and the entire dental community. Smile South Florida's mission is to be the **number #1 dental practice in South Florida with respect to quality and service**. The best way to judge whether a dentist really meets the level of an extreme makeover dentist, rather than just provide the title, is look at the **dentist's before and after photographs**. Dr. Nottingham's cases have been featured in **Dentistry Today** and **Contemporary Esthetics**. Here are the featured cases:

In conclusion, **an extreme makeover dentist is one who has an advanced level of dental education and experience, third party accolades and accomplishments, and beautiful before and after photos.**
