Angelo focuses on having this work be about the experience that you are more than

the accumulation of your thoughts. It's not about adding another belief to your endless stream of thoughts.

**Angelo Campione** has real life experience in dealing with emotional pain and now walks the path that has him live a life of purpose, joy and freedom. Through the Free online Mindfulness Series he goes through a step-by-step process of not only helping people understand themselves better but also giving them tools to help them find their own Truth.

If you find yourself caught up in the rat race where everything becomes a means to an end but the end never really fulfils you, then it's time to find the freedom you deserve, go to [www.studentisready.com](http://www.studentisready.com) now.
