

ROBERT LAURI performing in the US soon

Released on: June 12, 2008, 7:01 am

Press Release Author: Linda Vranken

Industry: [Entertainment](#)

Press Release Summary: Robert Lauri and the band Alef, will be on tour for a serie of major concerts in several states in America.

Robert Lauri has also announced the forthcoming release of his new album, "Liberté", scheduled in Autumn.

All of which means that 2008 will see a number of major projects come to fruition for the singer/composer.

Press Release Body: Lauri's new album was recorded in Paris and New York City and is a reflection of the riches that those very different cultures have to offer, with its blends of musical styles.

The title track from the "**Liberté**" album, written and performed by **Robert Lauri**, gives the public an opportunity to enjoy a taster of the new release. The single comes out htis month, in June. The song features a musical blend and synergy of pop and rap. The harmonious arrangements are accompanied by French and English lyrics, giving "**Liberté**" an international and contemporary feel

The French lyrics were written by **Robert Lauri** and **Claudine Marousek-Dornhagl**. The English version was produced by **Vivien Goldman**, a well-known music journalist, who has also written a biography about Bob Marley. The English voice belongs to **Laura Carbonell Smith**. The rap section was written and performed by **Robert Lauri's son, JNB**. The whole "**liberté**" project has been put together by **Alain Pype**, a renowned French sound engineer, in conjunction with **Robert Lauri**.

Robert Lauri has been a writer, composer and performer since he was very young. His career in music, stretching back over thirty years, is studded with a number of hits, as well as the international success he has enjoyed in the United States and Europe with the band Alef.
