Released on: June 14, 2008, 6:11 am

Press Release Author: Eran Walker

Industry: [Entertainment](#)

Press Release Summary: Walker Poker, operated by Colkom Inc. announced today, 06/12/2008 that it is taking over the assets of Wingows Gaming, including Wingows Poker player's database.

Press Release Body: [Walker Poker](#) officials stated that the move will speed up its growth and will provide **Wingows Poker** players a better poker environment. *"We have decided to take over **Wingows Poker** as part of our efforts to become one of the leading poker rooms in the U.S market."* Said **Walker Poker CEO**.

The migration of the players to **Walker Poker** will be done in stages. **Walker Poker** marketing director said *"Walker Poker team will contact **Wingows Poker** affiliates to make sure they don't lose their players from the migration"*.

Walker Poker was established in 2007 and is operating on the Merge Gaming network and platform. Merge gaming is currently one of the only networks that accepts U.S players and is one of the fastest growing networks in the poker world. The network currently peaks 6,000 players online and 500-800 real money players. The network is expected to grow rapidly in the next couple of months as it is expected to integrate new poker rooms.

Walker Poker is offering highly attractive bonuses and tournaments. With a \$750 free deposit bonus and tournaments of

\$10,000/\$20,000 and \$50,000 on a monthly basis and around the clock freerolls and guaranteed tournaments.

Walker Poker VIP CLUB considers being one of the most unique and rewarding Poker Clubs in the online poker world, which award each VIP player personal attention and a personal assistant to answer all your questions and help in any problem. The cream de la cream of the VIP club is luxuries travel packages including: flights, accommodations in 5 stars hotels and of course, free entry into real live poker tournaments.
