Released on: July 5, 2008, 11:49 pm

Press Release Author: John Rueschenberg

Industry: [Healthcare](#)

**Press Release Summary: Shopping for health insurance quotes can be nerve wracking. Health insurance agency's unique strategy simplifies the process for consumers.**

Press Release Body: When looking for affordable health insurance, it's often difficult to know where to begin. The

insurance terms and talk is confusing. Where to start? **Coverage Point** has built a reputation of meeting the health insurance needs of individuals, families small businesses and the self-employed. **Coverage Point's** close relationship with the most reliable insurers in the business has made finding affordable [health insurance quotes](#) simple. With agents who provide expert advice, **Coverage Point** ensures comprehension of health plans, keeping the consumer informed to make the right healthcare choices.

**Coverage Point**, an agency out of Portland, OR, who helps individuals, families, self-employed and small business owners in a dozen states, exceeds the expectations of consumers. Saving

consumers money across you U.S, with little or no effort on the consumers part. Those who utilize the services of **Coverage Point** and follow through with purchasing a plan will never have to shop the internet or [compare health insurance quotes](#) on their own again. In fact, the clients of **Coverage Point** can count on having the lowest premium available for years to come. A yearly rate increase is unavoidable. **Coverage Point's** agents are trained to make sure the consumer always has the lowest premium possible. If a rate increase happens, a [Coverage Point](#) agent shops the market before the consumer even knows of the rate increase. The agent keeps the consumer informed of more competitive options. The option to change is totally up to consumer, but the effort is made because it is **Coverage Point's** unique strategy to make consumers a client for life. **Coverage Point's** new commitment, a client will never have to shop and compare health insurance quotes on their own again and put hard earned dollars back into the consumers pocket.
