**Press Release Summary: One of the fastest growing online poker rakeback providers, [RakebackSTAT.com](#) has recently improved services for customers by launching Daily Rakeback Payments for players. With daily updated rake stats available, players can now request payments at any time during the day, and even multiple payments to a variety of processors including Moneybookers, ePassporte, Neteller, bank accounts, and online poker accounts at Full Tilt Poker, PokerStars and more.**

Press Release Body: [RakebackSTAT.com](#) is fast establishing itself as one of the industry's leading rakeback providers with the launch of **Daily Rakeback Payments** for all players.

Building upon the existing daily rake statistics functionality, **RakebackSTAT.com** now allows players to request rakeback payments at any time throughout the day.

Once logged in, **RakebackSTAT.com** members can view their daily rake statistics for each online poker room they have an account at. Statistics for each room update at least once every 24 hours and the ensuing rakeback is deposited immediately into each member's **RakebackSTAT Account**.

Members are then free to request a payout at any time simply by logging in to **RakebackSTAT.com** and making a payout request through one of the many withdrawal methods available, including **Moneybookers**,

**ePassporte, NETeller, Australian bank account, or online poker accounts at Full Tilt Poker, PokerStars, Cake Poker, Eurolinx Poker or Absolute Poker.**

There are no restrictions on the number of withdrawals per day and members are not limited to one withdrawal method. Members can cash out to any account at the listed online poker rooms, even if the requested username is not linked to **RakebackSTAT**.

The launch of **Daily Rakeback Payments** is a welcome addition to existing features such as daily rake statistics and the Refer-A-Friend program, cementing **RakebackSTAT.com** as one of the emerging leaders in the industry.

#### **About**

#### **RakebackSTAT.com**

**RakebackSTAT.com** was created in 2007 by well-known professional poker player Jonny Vincent. With experience as both a player and as an affiliate, Vincent used his knowledge to create a rakeback program for players which addressed the shortcomings he had often experienced. As a result, RakebackSTAT.com offers players a combination of features not found anywhere else – Daily **Rakeback Payments**, daily statistics, a Refer-A-Friend program, exclusive loyalty deals, and lightning-fast customer service. In just six months, **RakebackSTAT** has already reached a monthly turnover of \$300,000 and continues to grow at a rapid pace.
