Industry: [Small Business](#)

Press Release Summary: Pikesville, MD., Save Time and Money! Outsource Your Business is a half day workshop focused on teaching entrepreneurs how to save thousands by Outsourcing in their businesses. Through Mia Redrick's proven process participants learn how to take their idea for their business and find qualified, affordable and competent support for as little as \$5 per hour. The workshop is created for – new business venture, an expanded business, an author, anyone who wants to lower their costs of doing business, someone who wants to design a website or needs extensive graphic work. Participants will leave this information packed workshop with the resources they need to to have the graphic design, web

development and support, book layout, editing and administrative support they need to work less and get greater results in their business.

Press Release Body: The Save Time and Money! Outsource Your Business workshop is being offered in Pikesville, Maryland, September 6, 2008 from 9:30 am to 11:30 am. The cost is \$69 and special "bring a friend" discount pass is available by calling 1-866-226-2607.

Mia Redrick uses her experience with these outsourcing methods as a self-published author of Time for mom-Me:5 Essential Strategies for A Mother's Self-Care (available on Amazon and in Barnes and Nobles stores across the country) as well as the author of over 14 books, several web communities including www.findingdefinitions.com. Mia's book, "Time for mom-Me:5 Essential Strategies for A Mother's Self-Care" is the foundation for Save Time and Money! Outsource Your Business, and details Mia's expertise as a masterful outsourcer.

The session is focused on what outsourcing is for the independent business owner. Mia will provide a short workshop and then explain how every business owner can benefit from outsourcing. Large corporations have benefited from outsourcing in their businesses for years. Most small business owners don't know how to use the same strategies to save them \$1000 on administrative cost by learning this powerful technique. The session will provide participants with resources that they can implement right away in their businesses to save time and money. Sharing this process is important because most small businesses never take flight because of the cost of doing business.

Each part of the workshop will provide tools that will allow participants to know what resources are available and how to access them as a small and independent business owner. Outsourcing Your Business saves Time and Money! That is what this workshop is all about.
