**Press Release Summary: Glove'n Care® Hand Cream and Scrub'n Glove® Liquid soap are now available online at [www.glovencare.com](http://www.glovencare.com). Developed using the soothing emollients mined from the mineral rich Dead Sea, these products offer proven regenerative & healing properties.**

Press Release Body: Designed especially for health-care professionals who are faced with a harsh skin environment from countless hand washings and repeated disposable glove use- these products offer the solution to replenishing the vitality of health-care workers skin. These products are specifically designed so they will not compromise disposable glove integrity but they will leave your hands soft and smooth.

**Glove'n Care Hand Cream and Scrub'n Glove** the secret to keeping your skin soft, smooth and rejuvenated.
