Press Release Body: Special "Art-Sculpt" Veneers—in a Few Hours!

By Judith Sloan—WASHINGTON, DC—It was a midnight revelation for **Janelle P.** She finally decided what she wanted to do to improve her look. And, it wasn't a new hairstyle or a more stylish wardrobe. Her plan could be summed up simply: 20 Veneers.

And when she walked into her dental office, she insisted on having it all done as soon as possible.

Enter **Dr. Peter Rinaldi at the Washington Center for Dentistry.** *"We can absolutely give you a gorgeous "veneer look," in just a few hours!"* said the **Washington, DC dentist.**

Dr. Rinaldi has mastered a rare technique few dentists can pull off, and with amazing artistic ease. You see, in the talented hands of Dr. Rinaldi, this lovely woman walked out of the office with 20 exquisite **"Art-Sculpt"** trial veneers—in just three hours!

"I could not believe that he was able to create my new smile in one visit, and I absolutely love my new look," said Janelle. "This method is wonderful. Now I know what my final veneers will look like."

Here's what is different at the Washington Center for Dentistry:

Our First-Visit Special "Art-Sculpt" Process:

1. Smile design
2. Photos
3. Impressions
4. Walk out with a beautiful new smile in a few hours!

Other Offices - First-Visit for Veneers:

1. Smile design
2. Photos
3. Models
4. Impressions to make temporary veneers.
5. Veneers arrive in a few days or a few weeks.

These "**instant veneers**" are created from an amazing method that involves sculpting exquisite, lustrous trial veneers right onto existing teeth, with minimum preparation.

"And the patient enjoys a gorgeous new smile while waiting for permanent veneers—that arrive in a matter of days!" said **Dr. Rinaldi**.

And what is the reaction from our patients? "**Wow! This is awesome**"
