Released on: September 29, 2008, 8:49 am

Press Release Author: Professor Don Abrams

Industry: [Internet & Online](#)

Press Release Summary: "Discover YOUR fortune that lies hidden in this 'bailout' market"... a new, free book reveals.

Press Release Body: A top-ten best-selling author of **John Wiley & Sons** is coming to the rescue. He is giving away his new book in protesting the plight of the middle-class poor in light of the on-going "bailout".

Not only is he giving away a book, but a 'flash of genius' secret that enables the middle-class poor to be 'zero debt' and even be the nouveau riche in one year.

It sounds good...which is NOT to say that it sounds too good to be true.

He is the author/inventor of the international best-seller, "**The Profit-Taker: the Proven Rapid Money-Maker in Good and Bad Markets**". The new free sequel reveals a proven strategy to grow rich

- especially for late starters. It is a blueprint that awakens the self-actualizing quest to live long.

Do Professor Abrams and Dr. Smarba have a solution? Yes! Unequivocally.

"We don't have turkeys to hand out, but it has to start somewhere. We recognize the debt we owe for the thunderous acclaim of the first book. To that end, we wish to set an example by being credible and responsible to our book-buying public. We have a reader friendly offer as a remedy. We wish to give back. It makes good marketing sense. It's good for the suffering middle-class poor and for everyone."

So for the first time ever, the revolutionary and pre-published sequel to the international best-seller is being given away. Over seven years of work in its creation. Given away. Exactly so. Free! This follow-up, **"The Profit-Taker Equalizer for the Underdog: Grow from Middle-Class Poor to 'Zero Debt' to Rich in One Year"**, is yours - with love.

During these troubled times of risky ventures and banking woes, the financial duo wish to unleash their refreshing, uplifting and unique concept. The strategy is ideal for this volatile market ...unencumbered by any cost to the reader, without any strings attached.
