Vivix, Shaklee's latest and greatest innovation, arrives just in time, to a market where everyday thousands of people seek out alternatives not only to the traditional work week, but to fast paced, stress inducing lifestyles. If you've all but worn out the soles of your boots in that hectic rat race of making money for everyone else, its time to throw on some flip flops and start letting the people and the money run to you! The online business opportunity of a lifetime is just a click away, and surely its one small step that you can and will take for yourself. I did! And I'm proud to say both the health of my body and the health of my wallet grew stronger than I ever imagined.

Friends, online business opportunities will rarely ever show you a fortune that benefits both body and bank account. **Vivix** truly is that rare exception. I wholeheartedly encourage you to explore the link below. **Vivix**'s ability to revolutionize your life is so well recognized, we've even got Barbara Walters talking! You may have never heard my name before today, but certainly you will take a moment to hear it from one of the top names in journalism how you could be changing your life. Click this link to hear more from Ms. Walters!
