Press Release Summary: St.David, Arizona, 29/11/08 — Christyna is so excited by the prospect of helping the worlds working moms spend more time with their families. Women across the globe yearn for the opportunity to spend more time in a relaxed fashion interacting with their family and friends. Christyna Wydenes, the self proclaimed "Queen of Shiny Clean" hopes to put this right with a new unique working mom ebook which values family first.

Press Release Body: There are no 1 minute miracles in this book, although you will find a mine of valuable environmentally friendly alternatives to todays harsh abrasive chemicals.

Christyna Wydenes states that "she does not believe in miracles" well at least not when it comes to the subject of cleaning house. The European born Ms.Wydenes has taken the subject and developed a system. A system that is based on a straight forward, logical and reasoned approach, thereby ensuring success every time.

"You are no longer forced to choose between a clean house or spending quality time with your family and friends" said Christyna, author of the sensational new book which is set to change the lives of thousands of homemakers.

My goal is to enhance the lives from those "Working Moms" by helping them to create more free time and reach their family goals through combined efforts!

The Queen of Shiny Clean reveals all the tricks of the cleaning trade and covers important topics like where to start and how to start cleaning different areas of your house. It will help you to change the way you clean with easy and time-saving tips and will help change your messy house into a shining palace.

Previous clients found it hard to believe how effective **"The Queen of Shiny Clean"** system is.
