Press Release Summary: International Retailer of Mens Rings Strikes a Chord with Price Savvy Men's Jewelry Fashions

Press Release Body: (Modesto, CA) October 20, 2008 – Titanium-Jewelry.com, a leading online retailer of [mens wedding bands](#), [tungsten rings](#), [mens titanium wedding rings](#) and unique contemporary jewelry designs for men and women, today announced increased interest in their affordable options in mens contemporary jewelry, [mens rings](#) and men's wedding bands. As a retailer of men's and women's jewelry, Titanium-Jewelry.com has found a balance in contemporary and rugged designs that are affordable and increasingly appealing to the male population.

Where high priced jewelers face pressing economic challenges with their high end items, Titanium-Jewelry's price savvy lines of high quality, extreme durability and sleek designed mens rings are thriving. With recent and upcoming appearances in popular mens magazines including *Mens Journal*, *Mens Fitness*, and the December issue of *MAXIM*, Titanium-Jewelry.com has recognized a need for affordable and stylish mens contemporary fashions.

"We keep our customer's feedback top of mind and seek to bring a variety of options to men looking for quality, style and distinction without spending a fortune to do so. Good economy, bad economy - our philosophy remains the

same - provide modern [mens wedding rings](#) and contemporary jewelry with the assurance of lifetime warranties, lifetime ring sizing and prices that are 20-40% lower than other jewelry stores," stated Ron Yates, founder of Titanium-Jewelry.com. "With amazing designers focused on contemporary metals, it's rewarding to know that our products are not just affordable, but are made to last, both in style and function," concluded Yates.

Contemporary metals have gained increased interest in recent years as the fashion and sports worlds continue to collide. The advantages of contemporary metals like titanium, tungsten and palladium are many. With hypoallergenic qualities, indestructible features and stylish appearance, men have turned towards these metals because the quality and price are just too much for traditional metals to compete with, especially in more challenging economic times like those faced today. For the active, athletic and sports oriented guys, contemporary metals are ideal choices for **mens rings** and jewelry. Tungsten presents a masculine heavy appeal that is virtually scratch resistant and titanium offers a lightweight and incredibly durable ring, either equates to a smart and enjoyable jewelry investment.

Titanium-Jewelry.com takes pride in providing customers a variety of options in luxurious yet affordable jewelry designs. Known for carrying the highest quality and most desirable fashions in contemporary jewelry, the online retailer specializes in [titanium rings](#), [tungsten rings](#), and [men's wedding bands](#) among other unique jewelry items.

Within the various collections, customers will find classic and contemporary mens rings, bracelets, cufflinks, necklaces and key ring designs. Featuring a variety of cool, sleek and sophisticated jewelry styles for men and women, Titanium-Jewelry.com has been at the forefront of the titanium and tungsten jewelry market.
