Press Release Summary: In lower back pain relief treatment news Natural Nutrition (Stock Symbol: NNTN) announces Pre-launch and Christmas 6 pack special offer for the fast acting, all natural, joint pain, muscle pain, back aches and arthritis relief cream, Blue Lightning All Pain™ Gone.

Press Release Body: Houston, Texas and Ottawa, Canada – Joint pain, muscle pain, arthritis pain and back ache sufferers now have a new, all natural, fast acting pain treatment solution with a refreshing orange scent. Sports and nutritional product manufacturer, **Natural Nutrition Inc.**(Stock Symbol: NNTN), has announced a special pre-launch Internet offer (<http://www.allpaingone.com>) where buyers can now save 70% of projected January 2009 prices.

An international marketing campaign featuring, **Blue Lightning All Pain Gone™ Pain Remover Cream** is set to launch in Early 2009.

Made from a specially selected combination of botanical and organic herbs, oils and plant extracts, **Blue Lightning All Pain Gone™**, is specially formulated to provide fast pain relief for joint pain, muscle pain, arthritis, back pain and sports injuries. The deep penetrating action has been proven to quickly relieve, treat and eliminate pain, inflammation, arthritis effects and joint stiffness. It also acts as an aid to reduce scar formation.

During this limited time and limited supply product pre-launch Internet offer, Natural Nutrition is offering **Blue Lightning All Pain Gone™** pain remover treatment cream for a special discounted one jar value, a buy 2 get 1 free value and a Christmas 6 pack special value.

iNutrition, Inc. (see <http://www.iNutrition.com>) and **InterACTIVE Nutrition International Inc.** (see <http://www.interactivenutrition.com>)

are wholly owned subsidiaries of **Natural Nutrition, Inc.** (stock symbol: NTNI). **InterACTIVE Nutrition** is a manufacturer and international leader in sports and nutritional supplements backed by over 12 years of research, development and sales of sports nutrition products in over twenty countries throughout the world.
