Press Release Summary: Infiniti of Santa Monica in California just announced new leasing programs for their remaining 2008 Infiniti M35X sedans. California shoppers can get into the All Wheel Drive vehicle for as little as \$459 per month.

Press Release Body: As the 2009 models roll into **Infiniti of Santa Monica**, 2008 models are being reduced to clearance prices to make room for new cars. Many of the popular luxury cars like the **M35** and **G35** are now available with new leasing options.

The **M35x** is now available to lease at \$459 per month during the Infiniti November sale in California. More information on the **M35X** is available at <http://www.santamonicainfiniti.com/lease/2008-infiniti-m35-prices.aspx?id=7>

The gorgeous **Infiniti** presents its owners with stunning styling both on the exterior and interior. It's sleek and classic leather trimmed interior exudes luxury. This car is perfect for those who enjoy a luxury sedan but prefer more of a sporty ride. The 2008 boasts Infiniti's famous 3.5-liter V-6 which handles any road condition with grace and elegance.

The **2008 Infiniti G35X** premium package offers a variety of digital music options, such as internal hard drive, iPod integration, and CompactFlash. Its hard-drive-based navigation system includes live traffic and shows rich graphics. The car handles exceptionally well, with responsive and precise steering.

Infiniti of Santa Monica is clearing out remaining **2008 Infiniti G35X** sedans with a new lease program for qualified consumers. California shoppers can get into the G35X for \$359 per month (\$2,500 down plus fees, 10,000 miles, 39 mos) under the new leasing guidelines.

This offer is only good for the month of November, interested shoppers are encouraged to visit **Infiniti of Santa Monica** as this offer is first come, first serve and inventory is expected to deplete quickly.
