The unique spot the ball competition, which was launched today on www.winpropertyinfrance.com, enables people who have dreamed of owning a character property in

sunny southern France to use their skills and judgment to make this dream come true by winning the competition for a £25 ticket purchase. The prize is an amazing 4 bedroom 19th century renovated manor house located in an authentic village very close to Montpellier.

This competition is the brainchild of the French couple owning this property who are keen to pass this century old house along to other passionate people. Should the required number of competition entries not be reached by the final closing date, the competition winner will be awarded the total money collected less a retainer fee to cover output VAT on ticket sales and technical and administrative expenses of £10,000.
