Press Release Body: (Milpitas, CA) December 09, 2008 - [www.AccessDiscounts.com](http://www.AccessDiscounts.com) - a leading supplier of [commercial lighting](#), [residential lighting](#) and [grow lights](#), today announced its holiday sale on residential lights including kitchen lighting fixtures, bathroom lighting and indoor lighting solutions.

Residential Bathroom Residential Kitchen Residential Ceiling Residential Wall Residential Lamps

Shoppers can benefit from huge price reductions on the highest quality residential lighting solutions. Numerous styles from Hunter Kenroy are on sale at **Access Discounts**, where savings as great as 70% can be leveraged during the holiday season.

During the winter season, indoor lighting and outdoor lighting is imperative not only for safety, but for ambience and festive gatherings. Often consumers neglect the essentials to a good holiday gathering and focus on temporary decorations. The addition or enhancement of residential lighting fixtures can often be the most powerful element to holiday lighting but carries the value on well

through the holiday season. Providing 100% American made commercial lighting products guaranteed to be of the highest quality, **Access Discounts** aims to provide customers efficient, effective and quality residential lighting solutions.

From ceiling lights, wall lights and kitchen and bathroom fixtures to lamps, sconces, chandeliers and pendants, **Access Discounts** has a wide assortment of quality lights.

*"Our instant savings on residential lights offers consumers site-wide cost savings with value energy efficient features,"* stated **Christina Roush, spokesperson for Access Discounts.** *"With energy costs rising while the economy continues to weaken, it is important to our business philosophy to offset the burden and position our products in the very best light to our customer base,"* Roush concluded.

By offering precision engineered products meeting ETL, UL & CUL standards, the company brings the very best in energy efficient lighting solutions to market while passing savings on to their customers. Customers can take advantage of **Access Discounts'** price breaks and implement power saving and cost saving solutions with minimal investment.
