Press Release Body:
The [Save Money Book](#) is now available to the public and can be purchased at www.savemoneybook.com. Consumers have been flocking to the new website ever since the release of the much anticipated Save Money Book. The new online guide to saving money is being met with positive

reviews and very strong sales.

Since publishing the **Save Money Book**, the website has received thousands of visitors seeking the newly released guide. Priced at only \$9.95, this rare and unique bargain is being snatched up fast. Available as a digital download, the **Save Money Book** can be purchased by anyone who visits www.savemoneybook.com.

The Save Money Book is over 40 pages long and is packed with money saving ideas that anyone can use in their everyday lives. This straight forward information is easy to read and understand and provides readers exactly what they are looking for. As a bonus, the Save Money Book also includes 4 bonuses to help consumers understand issues dealing with car loans, home loans as well as saving money on cleaning supplies.

There's never been a money saving compilation of this magnitude offered to the public ever before, which helps explain the instant popularity of the Save Money Book. Perhaps it's because of the recession or our desire to save more money in general, but the demand for the new Save Money Book remains very strong.

The instant popularity of the **Save Money Book** is a positive sign for its publishers. As popularity grows for the Save Money Book, they are already talking about other projects to help consumers save money.

Promotional plans for the **Save Money Book** include online advertising, reviews and word of mouth to help gain the website world wide recognition. There have also been talks of television appearances on talk shows such as Larry King, Oprah and The Ellen Show. With the current success of the Save Money Book and the rise to popularity so fast, the promotional options for the book are unlimited.

To learn more about the **Save Money Book** or to purchase your own copy, please visit www.savemoneybook.com. The **Save Money Book** has a secure online checkout and plenty of information to describe this new popular book.
