Press Release Summary: 32Red Online Casino has announced that gamings biggest online jackpot, the Mega Moolah slot machine, now exceeds the £5 million figure and is growing all the time

Press Release Body: 32Red Online Casino has reported that one of their progressive slot machines, Mega Moolah, has reached a landmark jackpot figure of £5 million and is still growing. If won, this would represent one of the largest jackpots ever paid out online.

Part of 32Red Plc (listed on the Alternative Investment Market of the London Stock Exchange), the [online casino](#) at 32Red.com has won the coveted [Casinomeister Best Casino](#) award since 2003 - an unprecedented six consecutive years - and is one of four other online gaming products operated by the company, including 32Red Mobile Casino, 32Red Poker, 32Red Bingo and Dash Casino.

32Red has produced a number of progressive winners since its launch, including one player who has won a five figure sum in 3 months from four jackpot wins from the same game, Cash Splash. The online casino also reports two millionaires produced from their online casino tables and [slot machines](#), with a win of £1,094,112.81 in February 2008 and £1,000,641 in 2007.

32Red Head of Marketing, Mark Quayle, commented, "We have had many jackpot winners at 32Red, including creating a millionaire in both 2007 and 2008. We've never had a winner of the Mega Moolah main jackpot; maybe 2009 will complete the millionaire hat-trick."

The Mega Moolah £5 million jackpot is a result of a small percentage of each Mega Moolah bet being placed into a central prizepool. It builds until triggered and, once won, is reset to a guaranteed £1 million, making it one of the most generous [casino games](#) available online.

32Red players can also win that same jackpot in a brand new slot machine game: Mega Moolah 5 Reel Drive - which was one of 4 new games added to 32Red Online Casino this January.
