

Lucky Online Casino Player Hits a Third Progressive Jackpot at 32Red Casino

Released on: January 29, 2009, 2:59 am

Press Release Author: **32Red**

Industry: [Entertainment](#)

Press Release Summary: A lucky 32Red Casino player has followed up on two Cash Splash Progressive Jackpot wins in 2008 with a third and fourth in short succession this December, adding another five figure sum to his total payout from the award-winning online casino

Press Release Body: 32Red Online Casino has announced the recent two-time lucky Cash Splash jackpot winner just got luckier, with a third and fourth jackpot win to make it a total of 4 since October. Following on from payouts of £14,915 and £22,949 in October and November respectively, the player's most recent wins represent one of the most extraordinary runs of luck in 32Red's history and is regarded as one of their luckiest ever players.

The 32Red Online Casino is the flagship product of 32Red Plc - an AIM (of the London Stock Exchange) listed company that specialises in online gaming, offering players online bingo, a [mobile casino](#), online poker and an alternative internet casino. Winner of six back-to-back Casinomeister Best Casino awards since 2003, 32Red is widely acclaimed as the UK's favourite [online casino](#).

The most recent jackpots lined up a truly special Christmas this year for the player from Dorset, England, with over £65,000 paid-out by 32Red in three months from just four lucky spins of the same [online slot](#) game's reels. A spokesman for 32Red and Operations Director, Pat Harrison, commented, "We're truly delighted and astounded at our players continuing run of luck at 32Red Casino. A progressive jackpot win is normally a once in a lifetime event, but this proves that anyone can win large sums at any moment, time and time again. His only possible regret could be that he didn't bring his luck

to the [Mega Moolah](#) slot machine, where the main jackpot would have landed him a staggering £4,900,000 or more"

Home to over 350 online casino games, 32Red offers 14 progressive jackpot games, of which Cash Splash is just one. Each progressive game builds its jackpot by assigning a fraction of each bet to prizepot, where it grows until certain triggering factors are met. The result, as Harrison highlights, "is some of online gaming's largest, life-changing jackpots".

Now 32Red has revealed that a brand new progressive game will be joining their casino in January. [Mega Moolah 5 Reel Drive](#) boasts an exciting, all-American drag racing theme powered by the Mega Moolah game engine and is connected to the guaranteed minimum £1 million Mega Moolah jackpot. Other new casino games in January are two new regular slot machines and a new video poker game. They are Polar Pioneers, Liquid Gold and Joker Poker Level Up respectively.
