Scenic beauty and artful expression are at the heart of Artistic Check designs. To add to this collection, **Artistic Checks** is introducing the “**Dog Days**” check design, featuring the artwork of **Tomoyo Pitcher of Paws Greetings**. Over twenty top dog breeds are featured against natural landscapes to show a love and appreciation for both dogs and nature.

On February 23, 2009, Artistic Checks launched its “**Dog Days**” personal checks and accessories through its website, [www.artisticchecks.com](http://www.artisticchecks.com). The personal checks include four rotating designs, each featuring different dog breeds. The breeds featured include: German

Shepherd, Chihuahua, Dachshund, Beagle, Pug, Golden Retriever, Bulldog, Bassett Hound and more. Each scene shows a group of five illustrated breeds posed against scenic backgrounds. The self-adhesive address labels feature eight different breeds of dogs in rotation against a simple green background. The personal contact card portrays five top dog breeds huddled together in front of a beautiful lake landscape. Finally, the leather checkbook cover depicts ten breeds of dog against a green background. Five dogs are on the front and five dogs are on

the back for a smile-invoking design no matter which way you look at it!

Artistic Checks is constantly expanding its collection to include new and exciting check designs. By doing this, the company is able to appeal to many customers at the same time. The addition of the "Dog Days" check design is sure to fit into the existing assortment. Browse the site today to find something you love!
