Industry: [Consumer-Services](#)

## **Press Release Summary: Successful Behavioral Clinical Trials reveals Powerful Life Changes within 30 Days**

**In today's economic times most people are thinking can I pay my bills, will I lose my job this week? will I find a job this week? Or why can't I lose this weight and is there really such a thing as true love?**

Press Release Body: In just 30 days of powerful processing – you can develop your mind's latent abilities to focus with great intention on manifesting wealth, vibrant health, and real love and influence the world

around you. This is accomplished through a series of relaxing mind processing exercises under the guidance of your certified Dr. Imaginethat workbook and CD series. Dr. Usman Asif author has developed a process known as "Activation Reconditioning Stimulus® process". The secret is learning to function at the Alpha Level, understanding the Laws the Govern your Mind, and Learning Dr. Imaginethat's specific clinically proven techniques for focusing your mind's ability. This process uses your most powerful resources within us to focus our greater intention on having exactly what we truly desire. Over the three years we have gathered successful clinically proven results and Dr Asif would like to invite 100 candidates to participate in this ongoing free Behavioral clinical study for 30 days our focus is on Love Activation just in time for Valentines 2009. You will gain even during these tough economic times:

- 1) Closer relationships
- 2) Greater self-confidence
- 3) Attracting love in all the right places

If you answer "Yes" to the following questions, you may qualify to participate in our free clinical study:

- 1) Do you want to find your true love?
- 2) Do you want to have better loving relationships
- 3) Do you want to attract good working relationships with employers or colleagues
