32Red Online Casino, part of 32Red Plc and winner of 6 consecutive Best Casino awards, has reported a series of outstanding individual wins that cap a great month for slot players in February.

Joining 32Red's extensive list of big slot winners in February is Guy F (whose full name has been omitted to ensure privacy), a slots player who secured a £35,000 payout from just one spin. This large single payout came from the reels of the Avalon slot machine - one of the most frequented 5 reel online slots machines in the 32Red casino.

Operations Director, Pat Harrison, noted "big payouts from slot machines are routine at 32Red, but this player was remarkably lucky. From just one amazing £100 spin he managed to win over £35,000, making it far from a bad day at the casino for him."

With other notable individual big wins as well a host of lesser player successes, the slot machines at this [online casino](#) paid out £13,024,341 during the month.

Harrison commented, "We would like to offer our congratulations to all winning 32Red slot players this month and wish them the best of luck with our [online slot games](#) this March and in the future."

Following a successful month for players, 32Red have simultaneously announced the launch of 5 new games, including 4 new [online slots](#).

Head of Marketing for 32Red, Mark Quayle, said, "Given phenomenal player success at the reels last month, all slot players will be pleased to hear that 32Red now has 4 new "free-spin" based slot games to enjoy from this March: The Rat Pack, Fighting Fish, Beach Babes and Kings and Queens - and with players striking it lucky at the 32Red reels, what better time to play [Mega Moolah](#) now it's jackpot has reached over £5.6 million."

In addition to new slot games is the launch of Triple Pocket Hold'em Gold - an innovation that brings Texas Holdem Poker to casino tables.
