32Red Plc has announced that the Mega Moolah slot machine has reached record-breaking levels by hitting the £6 million mark at their online casino, 32Red. The operator behind the award-winning 32Red Casino has reported that any win now would surpass the previous \$5.5 million record won in April 2008.

Head of Marketing for 32Red, Mark Quayle, said, "Anyone who hits the jackpot on [Mega Moolah](#) will win £6,000,000 or more when playing at 32Red Online Casino. Combine Mega Moolah with our other progressive jackpots and that makes a total of £7,268,000+ up for grabs."

Mega Moolah is one of 14 progressive jackpot games available at 32Red, but it leads the way with the biggest jackpot in online gaming. The mammoth jackpots this casino game generates are

a result of each spin of its reels, where a fraction of the spin's cost is pooled. With the game's massive popularity the figure quickly collects into the multi-million pound figures and the life changing amounts currently available.

Quayle added, "What happens when it's won? The jackpot is reset to a guaranteed £1 million. Making it immediately one of the biggest jackpots on the Net".

In addition to the imminent Mega Moolah jackpot, 32Red is also getting ready to launch 5 new casino games, including the much talked about slot machine, The Great Galaxy Grab. The other games are Cops and Robbers, Lucky Eggsplorer, Mayan Princess and Stunt Pilot.
