32Red, the award-winning online casino, has announced their quickest ever progressive jackpot win. The player, who wants to be identified as simply SP, loaded the Cash Splash online slot machine and within 13 seconds, 6 spins and just £18 later was instantly £39,500 better off.

32Red Plc Operations Director, Pat Harrison, said, "We were all amazed when SP won the Cash Splash jackpot so quickly. Looking at just how few spins it took for her to win nearly £40,000 is quite staggering. A progressive jackpot win is a rarity and to land one in just 13 seconds of playing is a world record. We've congratulated SP and wish her the best of luck for the future."

Head of Marketing, Mark Quayle, commented: "SP's amazing win tops off a great 6 months for the Cash Splash slot game at 32Red and it all bodes well for our record-breaking progressive slot, [Mega Moolah](#).
