Clinique has launched New Bronze Trend, its newest limited edition makeup collection for a naturally glowing look.

Bronze Evolves.
Shimmer, Shine, Glow-your way.

The [latest makeup](#) collection features the new Almost Bronzer SPF 15 alongside a collection of Clinique's best summer colours and limited editions for a natural and bronzed look.

The new [Almost Bronzer](#) SPF 15 is a sheer bronzing duo giving custom coverage for all skin tones. In a sleek compact with portable brush the compact protects skin with SPF 15 whilst giving a veil of natural bronze colour.

The new limited edition Shimmering Stripes Blusher, encased in a silver compact, is a multi-purpose pearly luminous blush powder that

includes four shades of blushing bronze tones. Perfect for an all-over colour or used as an eye shadow or highlighting blush.

Long Last Glosswear SPF 15 launches four new limited edition shades. Pink Beach, Sunset, Rock Violet and Bonfire all provide long-lasting gloss and shine for up to eight hours. SPF 15 helps protect lips from the sun's damaging rays while its moisturising formula conditions and helps comfort dry lips.

The makeup collection also features Clinique's best-selling Lash Power Mascara Long-Wearing Formula, guaranteed to look pretty for 24 hours without a smudge or smear and Uplighting Liquid Illuminator in Natural and Bronze for a luminous complexion.

Finally New Body Daily Moisturiser part of [Clinique's new sun care](#) and [self tan](#) range, creates a natural-looking tan as it softens and soothes. Wearers can maintain or build colour with daily application of this mistake-proof formula.

New Bronze Trend is now available at Clinique counters and nationwide through Clinique.co.uk

About

Clinique

Introduced in 1968, Clinique was the first ever dermatologist-created, prestige cosmetic brand.
