Albany, GA – BearManor Media proudly announces the release of its new book, Gary Burghoff: To M\*A\*S\*H and Back.

One glance through the book and its back cover tells you that there's a lot more to the actor who portrayed M\*A\*S\*H's lovable Radar O'Reilly than you originally thought. Upon reading his life story, it becomes apparent that Burghoff is the kind of person you would welcome into your life with open arms. He relays his triumphant peaks and devastating valleys with complete honesty and love.

What makes this autobiography even more special? His memories of working in one of the nation's most favorite television series and an insider's look at its actors. Burghoff's very clever and sometimes humorous original poems

that begin each chapter. A photo spread of his beautiful nature paintings. And, best of all, the realization of what is really important in life and inspiration to incorporate it into our own.
