The answers to life's most important questions can be found in the Bible. Whether learning about why God created humankind or studying the accounts of Jesus' birth, life and death, studying the Bible helps us to better understand why we are here and what the future holds. The United Church of God offers its free online Bible study to all, as part of its mission to bring the Christian religion to those who wish to receive it.

February 2010 – It's said that [Jesus Birth](#), life and death were the greatest gifts given to humankind by God. To truly understand these gifts and their impact even to this day, the Christian religion asks that its followers study the Bible extensively. The United Church of God understands that often the Bible can be difficult to follow, though, and has created exhaustive online Bible study resources so that any and all who wish to learn may do so.

The free online Bible Study Course contains 12 lessons that will help students better understand the Bible and find answers to life's most important questions, such as "Why are we here?" and "What does the future hold?" They are:

1. Why the Bible Is the Word of God – This online Bible study lesson shows students how to connect with the Creator and understand the Bible's mysteries.
2. The Word of God: The Fountain of knowledge – Knowing more about the men behind the Bible stories will help students to better understand.
3. Why Did God Create Mankind? – Humankind was created in the image of God, but what does that mean? Students also will learn what God has in store for them.
4. Why Does God Allow Suffering? – In times of war and natural disaster, this question is often asked. This online Bible study lesson reveals the ultimate hope offered by God.
5. Is There Hope for Human Survival? – This lesson looks at the warnings of Prophecy and the hope that Jesus will rescue the world from destruction.
6. What Is the Gospel of the Kingdom of God? – When Jesus saves the world, He will rule over the Kingdom of God. Students will explore the portions of the Bible that talk about this news.
7. The Calling of God – This lesson teaches students how to have a relationship with God through the Christian religion, and how to receive His loving gifts.
8. What Is Christian Conversion? – God will transform us for good, despite our nature to be otherwise. This lesson explores the process of conversion to the Christian religion.
9. The Transforming Power of God's Spirit – Students will learn about how to use the power of the Holy Spirit to transform their lives.
10. What Is the Church? – This lesson looks at the original Church and its transformation over the centuries. Students will learn how to recognize it today.

11. Christianity: A Way of Life – Students will learn the key elements of living a godly life in the modern world.

12. The Annual Festivals of the God – Holy Days differ from holidays. Discover the difference and understand their meanings within the Christian religion.

About the United Church of God: The United Church of God traces its origins back to the a [Christian Religion](#) founded by Jesus in the early first century. The Church follows the same doctrines, teachings and practices as the original Church, and it strives to educate Christians through its a [Online Bible Study](#).
